

General Carpenter

Pre-apprenticeship program
for Women

Free for qualified participants

This program is geared towards Indigenous women, or any woman interested in carpentry.

Train to use hand and power tools while working with various construction materials. Learn the latest installation methods along with the best practices and workplace safety to make you employable in today's construction industry.

You will be guided and supported in culturally inclusive strategies during training and placement, with continued support as you transition into the workplace or further education.
