

INTRODUCTION TO BEEF CATTLE FARMING COURSE

Information Session Sept 3rd 3 p.m.

On September 3rd 2:00 p.m. the Rural Agri-Innovation Network and College Boreal will be sharing information about the upcoming “Intro to Beef Cattle Farming Training” course (September 23rd to November 1st). The course offers an initiation into the key principles of beef cattle farming. Participants will obtain valuable skills which will help them successfully integrate the labour force at a beef cattle production farm.

WHEN: SEPTEMBER 3RD 3:00 P.M.—4:00 P.M.

WHERE: MISSANABIE CREE FIRST NATION OFFICE BOARD ROOM
559 QUEEN ST. E. SAULT STE. MARIE, ON

Individuals can also join via Teleconference. For more information, please call:
